

Highest quality service,  
customer satisfaction,  
minimizing port costs

## Agency Profile

AGEMAR Shipping & Consulting Agency Ltd. (Agemar) is a newly established shipping agency in Trieste, Italy. It is the successor of "Agenzia Marittima Finanziaria S.r.l.", which was originally founded in 1951. Agemar is a Greek family-owned and run company, part of a group of companies with offices in London and Piraeus. Over the years, Agemar has cooperated with major oil companies such as DEA AG, Mobil, Texaco, Conoco, Phillips66 while it also represented important passenger and ro-ro lines such as Adriatica di Navigazione, ANEK Lines, Grimaldi-Minoan Lines, Adria Ferries Maritime, Halkidon Shipping Corporation and Ilion Lines.

## Agency Strengths

- Close and long-term relationships with local Authorities
- Experienced and passionate staff
- Solid reputation
- Competitive cost
- Personal and dedicated service

## Agency Activities

We can provide assistance to and for all types of vessels. Our mission is to ensure a smooth vessel turn-around and provide our best assistance to the Master and the Vessel, its Principals and Managers, thanks to our motivated and experienced team.

We provide full agency, husbandry and protective agency services around the clock, including but not limited to:

- Specialized in tanker and bulk operations
- Attending vessels during dry docking repairs
- Crew changes and transfers including Visa formalities
- Customs clearance and forwarding including ENS formalities
- Spare parts, stores and provisions
- Cash to Master
- Medical assistance
- Assistance with local Authorities and Institutions, Consular Authorities and all Public Offices

We are committed to providing the highest quality service and customer satisfaction, minimizing port costs.
